SPACE / GEAR

SPACE/CAPACITY/CHAIRS

The Volume One Gallery, which is attached and open to The Local Store, is a flexible space that may be closed off from the public if needed. It’s a 600+ square-foot art gallery (1,000+ square feet with the lobby). Rental comes with the option for up to 40 chairs to be brought in, or as left standing room only. Seated, it holds about 35-40 people (with room for more to stand around the edges). Standing it holds more than 70 (or even more as it overflows out into the lobby). The space also extends to a small outdoor patio.

SOUND/LIGHTS/PROJECTOR/PODIUM/TABLES

For an additional fee, Volume One/The Local Store can provide a small PA, 4 mics, cables, stage lights, etc. The sound board and light board are located in the back of the room and can be operated by V1 staff, or your own engineer with assistance of V1 staff. There is also a projector/screen that can take a feed from your laptop, or a blue-ray/DVD player. A podium is available as well as four tall stools with backs. Ten flip-top tables (24x72) are also available.
